# Domaine Laougué

## Pacherenc du Vic-Bilh Doux 19.58

### ABOUT THE ESTATE

- The Dabadie family has had vineyards in Madiran since 1904, with Domaine Laougué established in the 1980s.
- Current owner and winemaker Sylvain Dabadie focuses on creating expressive, single-vineyard wines that are approachable on release.
- Organic and biodynamic principles are followed, and the estate benefits from many different soils and microclimates.
- Winemaking is largely non-interventionist, and the wines see long aging in barrel and concrete tanks.
- These wines are a modern interpretation of Madiran and an observation of this mountainous Southwest France region.

### APPELLATION

Pacherenc du Vic Bilh

### GRAPE VARIETY

99% Petit Manseng, 1% Gros Manseng

### FARMING

Sustainable, Organic, Biodynamic

### SOIL

Clay-limestone and silt

### VINEYARDS & VITICULTURE

South-facing slope. 20+-year-old vines at a densit of 4400 vines/hectare. No chemical products. Natural grass cover every other row. Guyot simple pruning.

### HARVEST & VINIFICATION

Late harvest sweet wine harvested in October-November with no botrytis. 70g residual sugar. The warm wind from Spain comes up and dries the grapes while keeping acidity.
