ABOUT THE ESTATE

- Elsa & Cédric Ehrhart have founded an estate in Beaune that looks to tradition to propel it forward.
- Farming is entirely organic, done on a combination of owned land and long-term contracted plots.
- The fully refurbished winery is gravity fed and prioritizes minimal intervention.
- Whites are barrel fermented, vinified without sulfur and see long lees aging.
- Red are fully destemmed and fermented in stainless steel and barrel, also with long lees aging and no sulfur additions.
