

Clos de la Barthassade

Terrasses du Larzac Rouge Les Gravettes

ABOUT THE ESTATE

- Terrasses du Larzac is a young appellation that has quickly proven itself as a home for top-quality wines.
- Winemakers Guillaume and Hélène Baron have hand-selected every vineyard plot and the varieties grown within.
- The vineyards are farmed biodynamically, with the warm, sunny days providing the perfect environment for natural grape growing.
- Unusually for the Languedoc, the wines are 50-80% whole cluster, and all vinification is by gravity.
- The wines draw comparisons to far more famous appellations, such as Côte Rôtie, making this lineup a superb value for money.

APPELLATION

Terrasses du Larzac

GRAPE VARIETY

55% Grenache, 30% Cinsault, 15% Syrah

FARMING

Biodynamic, Organic

SOIL

Limestone scree with some plots more sandy and others with more clay deposits

VINEYARDS & VITICULTURE

Vineyard sources: 80% La Barthassade, 20% Celles des Combariolles & Bois de Paulhaut.

HARVEST & VINIFICATION

Partial whole clusters (60% for the Grenache and 50% for the Syrah), vatting and devatting by gravity, pumping over during 2/3 of fermentation then pigeage. Temperature-controlled vatting for three weeks. 17 months aging in demi-muids, barriques, and concrete eggs.

ALCOHOL BY VOLUME

14.0

PACK SIZE

6x750mL
