Domaine Michel Bouzereau et Fils

Puligny-Montrachet 1er Cru Le Cailleret

ABOUT THE ESTATE

- The Bouzereau family has been rooted in Meursault for seven generations, and Domaine Michel Bouzereau et Fils is widely considered both the leading Bouzereau estate and one of the top producers in the appellation.
- The domaine's holdings in top crus reflect decades of experience and relationships, expanded under Michel Bouzereau and now overseen by Jean-Baptiste Bouzereau, who has run the estate since 1999.
- The estate follows a vineyard-first philosophy, focusing on soil health, careful pruning, and yield management, with organic farming introduced in 2005 and a gradual shift toward biodynamic practices without certification.
- In the cellar, the approach is minimal intervention, with hand-harvested fruit, native yeast fermentations, long lees aging, limited bâtonnage, and bottling unfined and unfiltered with minimal sulfur.
- The resulting wines are classic expressions of Meursault, defined by balance, energy, and complexity, with a restrained style that allows terroir to speak clearly.
