

Domaine Buisson-Charles

Aloxe-Corton

ABOUT THE ESTATE

- Buisson-Charles is a Meursault estate revered by those in the know and is regarded as a top-tier producer.
- Now in its 4th generation, with the 5th preparing to take over the reins, this is a house steeped in history and tradition.
- Vines are tended organically, and the wines see no chaptalization, acidification, or SO2 added during vinification.
- Picking dates are later than most of their peers, resulting in wines that are richer in style than most while also possessing excellent acidity and tension.
- A connoisseur's delight, the wines of Buisson-Charles are classic Meursault, concentrated, pristine, and complex.
