

## Champagne Saint-Chamant Brut Blanc de Blancs Cuvée Craie

### ABOUT THE ESTATE

- Champagne Saint-Chamant is now overseen by Stéphane Coquillette, whose late father Christian ran the estate for 70 years, from 1950 to 2020.
- The wines are housed in Saint-Chamant's cellar, which is over a mile long and is lined with hundreds of thousands of bottles.
- Vineyard plantings are largely Chardonnay, all in the Grand Cru of Chouilly. A 1.5 ha plot of Pinot Meunier is in Épernay.
- Long lees aging is the order of the day, as all wines are only disgorged once an order is placed for them, a practice that is unique within Champagne.
- Stéphane is committed to carrying on the estate's traditions, maintaining the house style of sophistication, richness, and refinement.
