Château des Eyrins

Margaux

ABOUT THE ESTATE

- One of the estates in the remarkable portfolio of Julie and Xavier Médeville, Château des Eyrins is a beautiful three-hectare vineyard in Margaux.
- Its prime location is among the best in the appellation, as two hectares are surrounded by Château Margaux vines.
- The estate was purchased from the Grangeroux family, who were cellarmasters at Margaux for three generations.
- Great care is taken in the vineyards and cellar, with grapes harvested by hand and 50% new French oak used for aging.
- Considering the pedigree of the location and winemakers, this is an extraordinary bottling that you would expect to see for many multiples of the price – proof of the Médeville's desire to produce world-class wine at an accessible price.
