Champagne Michel Fallon

Avize Grand Cru Brut Blanc de Blancs Le Sentier Levraux

ABOUT THE ESTATE

- With extremely limited production, Michel Fallon is a pedigreed winemaker who is intensely devoted to his craft.
- From his decades-long working relationship with Anselme Selosse, Michel has access to pristine fruit and cellar conditions.
- One of his wines is Cuvée Ozanne, a solera cuvée made from ten vintages, with just over half being from the most recent vintage.
- Added in 2023, a second line of Champagnes are being bottled under the his wine's name - Brigitte Fallon. They are made from a combination of Fallon Avize grapes and other growers' Avize grapes of the same quality.
- True insider's wine, the style of Champagne Michel Fallon has oxidative notes, energy, and freshness. If you're lucky enough to get your hands on some, it provides an unparalleled drinking experience
