

Thomas Farge

Saint-Péray Plan Rapproché

ABOUT THE ESTATE

- The Farge family has been making wine in Saint-Joseph for four generations, and Thomas is embarking on a project of bottling under his name.
- Thomas focuses on single-site bottlings throughout Saint-Joseph, Cornas, Saint-Péray, and Condrieu.
- All farming is organic, with Ecocert certification in 2024. Biodynamic principles are also followed.
- Work in the cellar is ever-evolving, with the use of oak, concrete, and steel determined by the vintage.
- With boundless energy and enthusiasm, Thomas represents the best of the up-and-coming generation of Northern Rhône winemakers.
