

Société Civile du Château Lafleur

Château Grand Village Acte 9

ABOUT THE ESTATE

- Société Civile du Château Lafleur, run by the Guinaudeau family, encompasses six prestigious wines: Château Lafleur, Les Pensées, Château Grand Village red and Château Grand Village white, Les Champs Libres, and Les Perrières.
- Sitting opposite Pétrus, Château Lafleur has for nearly a century been quietly producing wines that are comparable in quality to its superstar neighbor. A different wine is also produced, Pensées de Lafleur. It is its own cru (not a second wine) from a separate parcel of vines in the center of the Lafleur vineyards.
- Château Grand Village encompasses 20 hectares of clay, limestone, and gravel soil in Mouillac and are farmed biodynamically and planted entirely to massale selection from Lafleur.
- Located near Château Grand Village, Les Champs Libres is the Lafleur rendition of a great white wine. Their Sauvignon Blanc is planted on the clay-limestone soils of the plateau of Louima.
- Founded in 2018 by Julie and Baptiste Guinaudeau, Les Perrières is a singular rendition of Bouchet de Lafleur grown on five adjacent parcels on the plateau of Meyney.

VINEYARDS & VITICULTURE

There were nine years of research and experimentation to establish the vineyard of Les Perrières, planted solely with Bouchet vines from Lafleur. "Actes" were the first nine vintages of the exploration.

HARVEST & VINIFICATION

Hand harvested with strict sorting. Fermentation in stainless steel and concrete tanks with soft maceration (15 to 25 days). Blending takes place in early winter. The wine is aged 15 months in barrique (1/3 new and 2/3 one year old).
