

Clément Lavallée

Irancy Pinot Noir Cuvée Éphémère #1

ABOUT THE ESTATE

- After several years of oenology studies all around the world, Clément Lavallée has created his own label in his home appellation of Chablis.
- With just over 5 hectares of vines in Chablis, Côtes d'Auxerre, and Saint-Bris, Clément is committed to elevating the prestige of northern Burgundy.
- No chemicals or insecticides are used in the vineyards, and Clément is working towards full organic certification.
- Work in the cellar is also natural, with indigenous yeast fermentation, no sulfur during pressing, and gravity used for moving the wine.
- Clément is part of a new generation of winemakers that are exploring the vast potential that still lies undiscovered throughout Burgundy.

HARVEST & VINIFICATION

The first in a series of one-off bottlings that are explorations of terroir. This Irancy has a racy, sanguine character that is unique from Clément's Bourgogne Rouge, though the vinification methods for both are quite similar. The juice undergoes pre-fermentation cold maceration for three days, macerating for eighteen days total. Pumping over occurs twice a day at the start of native yeast fermentation, with some pigéage at the end. The wine undergoes natural malolactic fermentation. It ages in neutral barrels on the fine lees for 22 months and is bottled unfiltered.
