

# Domaine Vincent Ledy Savigny-lès-Beaune Petits Liards

- Vincent Ledy makes the most of his tiny, 3.5-hectare estate, producing eight different wines from a variety of appellations.
- Though he did not come from a winemaking family, Vincent has a true passion for the craft, working for many years at Domaine Lecheneaut before striking out on his own.
- All the vineyards are tended organically, and completed Ecocert certification in 2021.
- In the cellar, most wines see whole cluster fermentation and no sulfur during vinification. No new oak is used.
- Already compared to Burgundian luminaries, Ledy's natural wines are authentic "Vins de Terroir" with power, depth, structure, and high-toned ageability.
