

# Domaine Douhairet-Porcheret Savigny-lès-Beaune Les Prevaux

# **ABOUT THE ESTATE**

- A 300-year-old estate based in Monthélie, Domaine Douhairet-Porcheret boasts an impressive history.
- Renowned winemaker André Porcheret took over from the Douhairet family in 1989, creating the hyphenated new estate. He has since been succeeded by his granddaughter, Cataldine Lippo, who joined him in 2004.
- Work in the vineyards is done without the use of herbicides and pesticides.
- After hand harvesting, the grapes are carefully vinified with varying levels of oak depending on the location and vintage.
- Now under the watchful eyes of Cataldina and her husband, Vincent, this ancient property is in excellent hands, as the next generation ushers these wines into the 21st century.
