

Domaine Denis Mortet

Echézeaux Grand Cru

ABOUT THE ESTATE

- Domaine Denis Mortet, in the family since 1956, is now run by Arnaud Mortet, who took over in 2006 after his father Denis' death.
- While continuing his father's legacy, Arnaud has also made changes of his own, including more traditional techniques both in the vineyard and in the cellar.
- Vinification is done almost exclusively by hand, including the use of horses to plow all the 1er and Grand Crus.
- After hand harvest, the grapes see a strict selection in the cellar and are made in a very non-interventionist fashion. They are bottled unfinned and unfiltered.
- Arnaud's wines are regularly praised for their outstandingly precise nature and the future of this estate is in excellent hands.

Arnaud uses 33% whole bunch fermentation and tastes everything daily during vinification using native yeasts.
