

## Muse Vintage Wines

### Maury L'Archiviste

#### ABOUT THE ESTATE

- Dubbed “The Archivist” by Jancis Robinson, Philippe Gayral has spent nearly 30 years compiling a collection of some of the rarest fortified wines from the Roussillon.
- By establishing relationships with winemaking families, Philippe was able to gain access to their personal reserves – wines that normally no one but the family and close friends would ever experience.
- He founded Muse Vintage Wines in 2005 to showcase these special wines, inimitable rarities in the vinous world.
- Wines are made in the traditional style, with long aging, fortification practices similar to those of Port wine, and aging in glass containers.
- Phillipe is not only a collector, he is a historian, preserving this unique style of wine so that future generations can continue to enjoy its pleasures.
