

Niepoort – Quinta de Baixo Bairrada Tinto Lagar de Baixo

ABOUT THE ESTATE

APPELLATION

Bairrada DOC

SUB-REGION

Cantanhede

GRAPE VARIETY

100% Baga

FARMING

Sustainable, Organic, Biodynamic, Vegan

SOIL

Calcareous clay

VINEYARDS & VITICULTURE

With the acquisition of the Quinta de Baixo in 2012, Niepoort was able to convert the property to biodynamic principles over two years. The result is a combination of very old vines and younger vines.

HARVEST & VINIFICATION

Grapes are manually harvested. The wine was fermented in open lagares for four weeks before completing its fermentation process in large, used 2500 L vats. In these same vats, the wine went through malolactic fermentation and a maturation period of 20 months before it was bottled unfiltered.

ALCOHOL BY VOLUME

12.5

PACK SIZE

12x750mL
