

## Niepoort – Quinta de Nápoles

### Douro Branco Twisted

#### ABOUT THE ESTATE

- Visionary winemaker and fifth generation of the historic Port house Niepoort, Dirk Niepoort is redefining what the Douro Valley can offer.
- Acquired by the Niepoort family in 1987, Quinta de Nápoles is a 30-hectare estate in the heart of the Cima Corgo.
- From these north-facing, steep-sloped vineyards, Niepoort crafts a range of dry wines that have evolved significantly over the years.
- These wines represent the new Portuguese style, and are lighter, fresher, lower-alcohol wines (often just 11–13%) that reflect a more modern, terroir-driven aesthetic.
- The world's perception of Portuguese wine is undergoing a major transformation—and Quinta de Nápoles stands at the forefront of this change.

#### HARVEST & VINIFICATION

The fruit was transported to the Quinta de Nápoles in refrigerated trucks, and then sorted carefully upon arrival at the winery before being pressed in an automatic press. After cold-settling, the musts were racked into stainless steel tanks where they fermented spontaneously at controlled temperatures and then spent a further six months maturing on the fine lees without bâtonage.
