MARTINE'S WINES
IMPORTER & WHOLESALER SINCE 1979

Château Tour des Gendres

Bergerac Rouge Cantalouette

ABOUT THE ESTATE

APPELLATION
Bergerac

SUB-REGION
Bergerac

GRAPE VARIETY
50% Merlot, 25% Malbec, 25% Cabernet Franc

FARMING
Sustainable, Organic

SOIL
Clay-limestone

VINEYARDS & VITICULTURE
The vineyard is over a limestone bedrock that grants minerality to the wines. The topsoil is clay, which contributes complexity and structure.

HARVEST & VINIFICATION
The bunches are destemmed. Fermentation and ageing on the lees occurs in stainless steel vats, with a 20 day maceration period. Filtration is minimal.No SO^2 during the vinification and bottling process.

ALCOHOL BY VOLUME
13.0

PACK SIZE
12x750mL
